KINCUMBER

2 1 2

Comfortable and well presented home located in a secure leasehold estate on the shores of beautiful Brisbane Water. The large bedrooms have walk in robes and there is a good size open plan lounge and dining area. In addition to this there is a large laundry and an adjacent 2nd toilet. The sun drenched front deck faces North East and looks towards rural open space. There is also off street parking for 2 cars and reverse cycle air conditioning. This is more like a resort with facilities including a tennis court, pool, video & book library, games room with billiards and table tennis. The bus service is immediately outside the estate and it's only a few minutes to Kincumber shopping centre and services. Only 5-10 minutes drive to magnificent beaches.
