

GREEN POINT

2 1 1

Who said you couldn't buy a house in Green Point under \$300,000! If you are a 1st home buyer or investor you must consider this bargain. There are two living areas plus dining off the kitchen. The level rear yard is ideal for children and pets and there is a large storage/teenagers room off the garage. It's only 300 metres to the local shopping centre.
