

KINCUMBER

2 1 1

This stylish and well appointed villa is located in a tranquil bushland setting. With the sunlight beaming through the front of the property and the bushland reserve at the rear you feel removed from the pace of everyday living. The double size bedrooms have built in robes and there is also a designated study area. There is expansive living and dining with the added appeal of low maintenance tiled floors. The rear courtyard is beautifully landscaped with a water feature and gardens. Add to this, practical features such as reverse cycle air conditioning, drive through garage with remote control and internal access. This property represents living at it's best.
