

KINCUMBER

3 2 2

This well presented home is in a dress circle location being only a short stroll to the waterfront reserve and handy to local shops. The double size bedrooms have built in robes and the master has an ensuite. There are two large living areas and polished hardwood floors in the hallway, informal dining and family room. Apart from the double garage there is also off street parking for a boat or caravan. The pool and outdoor entertaining area are a focal point in the warmer months and help to create a relaxed family atmosphere.
