

BENSVILLE

4 2 2

In a prime Bensville location, this impeccably presented family home enjoys both generous formal and separate casual living areas. The tranquil and serene setting of manicured grounds overlook a bush reserve and pond. The four and half year old Masterton built home has quality fittings throughout, with ducted air conditioning and vacuuming just some of the inclusions. Featuring 4 double bedrooms with ensuite and walk in robe in the main, built ins in the remainder, large main bathroom and separate living room to service the upstairs area. All located within a short stroll to the waters edge - what more could you ask?
