

KINCUMBER

3 2 2

This is a fabulous split level home with plenty of room to accommodate the whole family with ease. It features 3 generous living areas plus a huge dining area. There are three bedrooms with an ensuite to the main. All the bedrooms have built-ins for great storage. Out the back is a paved courtyard for entertaining and a level back yard for the kids to play in. The home also has a lovely scenic outlook from front patio & living area for you to enjoy.
