

## BENSVILLE

3 2

Embraced by nature, this generous sized family home offers contemporary living at it's best. The large light filled living areas blend perfectly with the spacious outdoor living which is accessed via stackable timber doors. There is nothing to spend on this beautifully presented home and with Summer approaching you will appreciate the oasis like pool setting and all the features this home has to offer which includes gas heating and reverse cycle air conditioning. The lovely bushland setting is sure to captivate those wanting a peaceful outlook combined with absolute privacy.
