

## SARATOGA

4 2 4

This charming home has that welcome feeling the moment you step through the front door. Perhaps it's because of the high ceilings and spacious interior or the impeccable presentation, but one thing is clear, this is a lovely home. On the upper level there is an air conditioned lounge, dining and family rooms as well as the modern kitchen with walk in pantry. At the rear of the family room is a large deck that runs the width of the home. There are panoramic valley views and water glimpses from the living areas. Also on the upper level are three bedrooms and the bathroom. The main bedroom has an ensuite and walk in robe. Located on the lower level is the fourth bedroom which has a toilet and wash basin, ideal for in law accommodation or a teenagers retreat as there is also a study area adjoining
