

BENSVILLE

3 1

This cottage will charm you with its high raked ceilings and unique finishing touches. It has an open style living and dining area along with a recently installed covered pergola at the rear. The timber kitchen has plenty of character with leadlight cabinets and plate racks. The functioning bathroom requires some finishing to bring it to completion. The bushland setting amongst the chirping bellbirds is a constant reminder of the wonderful natural environment that this home occupies. It's a large block of approximately 860m² and borders acreage at the rear.
