

**9 Huntly Road BENSVILLE NSW**

3 1 2

The property offers the chance to complete a great home in your chosen design, as well as the benefits of a large block with side access. The versatile design layout options in the extension is suitable currently configured to a master bedroom with en-suite and internal laundry, as well as a second living area, possibly large enough for an additional bedroom.

The property is equipped with large double lock-up garage (detached), and can accommodate 2 vehicles easily with ample height clearance. Side access provides the functionality of secure off street parking for a number of vehicles, ideally suited to trades people or boat/caravan owners.

The extension also features an elevated undercover
