

YATTALUNGA

3 2 3

Attention all bargain hunters, don't miss out on this great buy. It has two good size living areas and two bathrooms. Each bedroom has built in robes and there are timber floors in the high traffic areas for easy care. It has a large kitchen with plenty of cupboards and benchtop space. The family room has a combustion fireplace for cosy winter warmth. There is plenty of room for cars and a boat or van as there is drive through access from the carport to the double garage. To top it all off the pool is ready for use with Spring just around the corner.
