

MACMASTERS BEACH

2 2 1

The property offers a chance to secure a slice of classic Macmasters Beach history. The original building comprises of 2 levels with their own kitchen and bathroom on each floor. The top floor viewing deck captures sweeping views of the district and enjoys ample natural sunlight.

The two floors are connected by internal staircase, and vehicle storage comes in the form of single carport accommodation and off-street parking. The block is roomy and has the benefit of lush established gardens and lawns.

The property is less than 300m from the sand, and represents outstanding value in a popular beach side suburb.
