

## KINCUMBER

3 1 2

This family home is as versatile as it is inviting, with its tucked away cul-de-sac position in a popular part of town. The home features recently upgraded interiors along with open plan living areas, and connects easily to a large undercover outdoor entertaining area. The property features an indoor office, for those looking to work from home, or operate a small business or hobby/crafts workshop.

Garaging will accommodate two cars, however one garage has been converted into a home office space or work area for those who need extra space. The back yard is fully fenced for pet owners.

The best beaches on the coast is only a short drive away, as are popular shopping districts of Erina and Gosford.
