

KINCUMBER

3 1 1

The property features 3 bedrooms, internal laundry and semi-enclosed yard. The garage features drive-through access to the rear and could present a solution for a dual occupancy arrangement.

The property is only a short walk away from the local primary school and bus transport, and the local beaches and shopping districts are a short drive away.

These listings never last long, so be quick to arrange a viewing and avoid disappointment.
